

US Nationals and Trials ,March 21,2021

US Nationals were back at standard month March. The events following the guidelines and regulations under the current Covid situation were included again during the Chicago Wheel Weekend at 5950 N Magnolia Gym. Wheel athletes all from the US competed for titles in Gym and Cyr Wheel.

Casey Crowe , CirqueExperience/Chicago Wheel JAM defended his title in the men category as well did Emily Temmer , Sokol Spirit,Brookfield in the Iwomen field for gym wheel. Casey Crowe had the highest all around scoring of all competitors as well achieved the first ever double win to become National Champion for Gym and Cyr Wheel.

Priscilla Hartwell ,CirqueExperience/Chicago Wheel JAM won the Cyr Wheel title in the women category

The most exciting decision was in the Junior Boy category. Sash Rapacz, St Paul, became for the first time junior national champion. Even an accident the day before the decision didn't give him any distraction for achieving his goal. With playing out his high level of technical abilities he won in a very tight run up for all following rankings

Ava Glenski, CirqueExperience/Chicago Wheel JAM defended her title against runner up Karly O'Brien. Both are looking forward towards the World Championship to establish themselves under the best 20 juniors.

With Jakob Hartwell 11 years , the youngest competitor in the junior category won his first national title and Lola Lawn defending her junior title. The complete novice category showed promise for the future of US WGF athletes on the international field.

Thank you athletes , judges and coaches to make this safe and secure event happen during these times.
