

October Wheel Weekend, US Nationals 2020, and final Trials event

Chicago Wheel Weekend during Covid times was changing the complete set up ,

Coaches staff, schedules, logistics and more. The task was to provide a safe and secure environment for all our guests. Following the guidelines and regulations of State and City, the 3-day event included all the signature workshops, coaching and judging education for Cyr and Gym Wheel.

Providing for the first time a live stream for the Sunday competitions ensured all supporters to be able to watch the competition. With the given quarantining conditions in the US and Madison Circus Space wheel coaches not coaching under the given circumstances, the US Championship, for the first time in 6 years, started without competitors from Madison. Circesteem joined back in this year with Oscar Mendoza competing in the junior boys category and qualifying to represent TEAM USA for the Junior World Championship in 2021.

The strongest performance of the day was honored with the first-time winner, US Ladies Champion Emily Temmer. (Spirit Brookfield). The men category was dominated by 2018 Junior World Vault finalist Casey Crowe. (Chicago Wheel JAM).

Ava Glenski and Aidan Lish (Chicago Wheel JAM) won the titles in the junior categories.
